Adults

Terry Wible is facilitating a class based on the book The Sin of Certainty by Peter Enns. This class explores the difference between right believing, certainty and a lived out faith. Bring your questions, fears, and thoughts as participants discuss with each other the contrast between head knowledge and a lived out experience of God. Class meets in the Assembly Room.

The *Koinonia* class, which usually meets in Rm. 122, will participate in the class facilitated by Terry Wible and will reconvene following the conclusion of that study.
